An Intermediate Certificate is awarded by the ESL Department upon successful completion of ESL 55, ESLG 51, and ESLL 51. - ESLW 340 and ENGWR 300 are equivalent as both satisfy AA English Writing requirements as well as CSU (A2) and IGETC (A1) English writing transfer requirement.
- ESLW 340 satisfies SCC's Nursing Program's writing prerequisite requirement.
- ESL 325 serves as a prerequisite for both ESLW 340 and ENGWR 300..
- ESL 37, 47, 55, 315, & 325 are combined reading-writing courses. There are no longer separate R or W courses in Los Rios except at the Advanced level. Contact the ESL Dept. Chair for course numbers and unit values prior to Fall 2020.
- Skills Labs (30-40-50-60-70-80) are strongly advised for the level, and to support students in the combined courses. Support Labs (31-41-51-61-71) offer support in all other skill areas with personalized study plans. Labs are advisories, but are highly recommended
