<u>**English Information (CSUS)**</u>

English Composition
An additional English composition course is required for graduation. SCC's English 301 or 302 **can be used** to satisfy GE and the graduation requirements **for students whose catalog year is Fall 1992 or later**.

ERROR: On some of the old forms, it states that it **cannot** be used for both. As long as the student's catalog year is Fall 1992 or later, it can satisfy both requirements.

English 2 at CSUS

At SCC:

Students attending SCC after completing English 2 at CSUS HAVE NOT met the prerequisite requirements for ENGWR 300, 301, or 302. Students are required to take SCC's English assessment test to determine appropriate placement.

Per Marci Selva, 05/08

At CSUS:

Effective 2009-10, English 2 is considered equivalent to English 1A. Therefore, English 2 will also fulfill prerequisites for other courses, just like English 1A.

English 2 will be added to 2009-10 articulation agreements as an option for English 1A. Example: English 1A **or** English 2.
