Fall 2025 - Summer 2026
California General Education Transfer Curriculum (Cal-GETC)

Fall 2025 first year Cal-GETC in effect.

Completion and certification of ALL the requirements in the Cal-GETC will permit a student who transfers from a California Community College to a participating university campus without the need, after transfer, to take additional lower-division general education courses. *All courses must be completed with a "C" grade or better.* Students must meet with a counselor to request the Cal-GETC Certification, which can only be completed when all areas of the Cal-GETC are completed in their entirety.

NOTE: The Cal-GETC is NOT appropriate for some majors and/or campuses. Please see a counselor as Cal-GETC requirements may change. FA 2024 - SUM 2025 last IGETC and CSU GE pattern.
