EMPLOYEE SPOTLIGHT

Our spotlight for this month is **Lydia Jensen**, who has been with Sac City for 3 and a half years. She is the administrative assistant for the Science & Allied Health division.

An interesting fact about Lydia is that she was born in Mexico and speaks Spanish. She will not be dressing up for Halloween as the last time she wore a costume was in grade school, when she was a red striped cat.

Lydia would tell new classified professionals to keep looking for innovative solutions to make the work and projects easier...the answer is out there somewhere. Once you find it, share it with the rest of your peers.

The classified professional that nominated Lydia said this: "I have never seen someone work as tirelessly as she does to help the students and faculty. She's the Administrative Assistant for the biggest division on campus – Science and Allied Health!"

WRITERS WANTED

Have a story, article or tidbit for the Classified Senate Newsletter? Have a suggestion for the next employee spotlight? We want you to be a guest writer. Please submit any article ideas or writing to **Paul Raynard** for consideration.
