President's Response
Campus Issue 21-22-02

Committee or Individual: EITC   **Date submitted:** 09/23/21

Issue/Concern: Changing EITC Meeting Day and Time

Summary of Issue:

The Educational and Information Technology Committee (EITC) is a Standing Committee that meets on the second and fourth Friday of the month from 9 – 10:30 a.m. Due to an overwhelming amount of meetings on Fridays, many of the tri-chairs, and other committee members, are unable to attend the EITC meetings. To ensure that all members of the committee can attend, the committee requests that the meeting time be changed to the second and fourth Thursday from 10 – 11:30 a.m.

Action Taken:

October 7, 2021: The campus issue was presented to the Executive Council. In accordance with previous decisions regarding standing committee's ability to change meeting date or time, the Council recommended that the Educational & Information Technology Committee (EITC) can change their meeting time for one year, while standing committees are being reviewed. In addition, the EITC may change their meeting times, as long as the new meeting times are posted and represented in their agendas and minutes.

October 7, 2021: President's Response completed, and Issuers notified. Campus Issue is closed.
