| <b>Issue/Concern</b>  | Parking for Panther Cares  |
| <b>Describe the issue/concern:</b>  | Currently, the only parking by Panther Cares is Staff parking. There are no spaces that are short-term or for student use. I received a parking ticket while picking up food items from the pantry.                                    |
| <b>What do you recommend or suggest solving this issue/concern?</b>                                       | Having 1-3 parking spaces that are 15-minute open-use for Panther Cares would be appreciated.  |
| <b>How will this recommendation support the success of SCC students and benefit the campus community?</b> | It would allow students to utilize the Panther Cares facility and carry items to their car without having to carry groceries for long distances. Carrying items long distances, particularly in the rain or extreme heat is impactful. |
